Example of a task about an aspect of narrative

The beginning of a narrative introduces the reader to the characters, the setting and the plot. The writer uses techniques which engage the reader and create a sense of anticipation.

Look at the picture below.
WRITING TASK

Write the beginning for a narrative based on the picture.

Write only the beginning of the narrative.

- Your beginning should tell the reader enough to make them interested in the story and what might happen next.
- Use descriptive language to convey the feelings and reactions of the characters and the atmosphere of their surroundings.
- Be creative and use your imagination.
- Keep your writing concise so as not to lessen the impact of your narrative.

HINTS

- Use the planning time to organise your ideas.
- Stay on the topic. Remember that you do not have to complete the narrative.
- Make sure your sentences are correct and varied.
- Pay attention to spelling and punctuation.
- Use the time at the end of the task to review your writing.
