

2013 ICAS WRITING

Persuade the students in your year level to elect you as their leader.

When it comes to leading the school, I am definitely the best choice. There are many reasons and here are a few. School leaders need to have good behaviour, excellent relationships with others and great ideas to lead the school. I am the perfect match so vote for me!

One reason to vote for me is that I have exceptionally good behaviour. My school reports always say I am mature, trustworthy and honest. Why pick anyone else?

Another quality I have is that I have excellent relationships with others. I try to be nice to everyone, even when they're not one of my best friends. As you can see, I'd make a very good leader!

One final and additional thing I must add is that I have great ideas to lead the school.

I would make new clubs, ensure all students are happy and do everything I can to improve the school. Can't you see that you must vote for me?

To sum it up I hope you now will know that I should be elected because my friendships, behaviour and ideas really top the others. Elect me as the leader of my year level because I'd really love to make a difference!
